

## Ambassador Training Video Order Form

Tourism Burlington has produced a video of the June 2006 Ambassador Training program for use by organizations who have new staff or who could not send staff to this training session. Staff members are encouraged to watch the video, review the ambassador kit materials and then complete and return the ambassador quiz. Participants who successfully complete the quiz will be forwarded an ambassador pin and certificate and their names will be added to the Tourism Burlington website [www.tourismburlington.com](http://www.tourismburlington.com) as new tourism ambassadors. We look forward to receiving your completed quiz and good luck!
